

Tailor Made Steel Buildings

"Solutions in Steel..."

VERANDAHS *Dinner party?*

We can design a verandah, pergola or patio to suit your lifestyle or turn your dreams into a reality. Flat Roof or Gable Roof, it's up to you.

PATIOS *Entertainment*

Whether your design is just protection from the weather or your ideal outdoor entertaining area, we have a vast range of products to suit your style and most importantly meet your budget.

CARPORTS *Protect your valuables*

We can custom design any configuration carport so you can protect your most valuable assets, Car, Boat, Caravan, Bike... Melbourne's weather has gone crazy!

SHEDS *The Man Cave*

After a Shed? You can have the exact Shed you want. That's right, we're not restricted to manufacturing sheds & garages to any particular size. In fact, we don't have "standard" models. All our designs are tailor made to suit your individual needs.

GARAGES *Store the Toys*

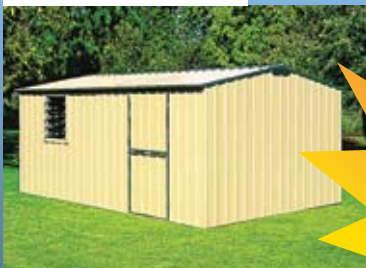

You can have your garage made to match the exact roof pitch of your home. Not only will that make your surroundings more aesthetically pleasing, it will add real value to your property. If you have an existing slab, we can give you a garage to suit that slab – no cutting, no re-concreting – no extra cost.
